

HUTCHISONS IN THE PHILIPPINES

OCTOBER 2022

THANKS FOR YOUR PRAYERS & SUPPORT!

FAMILY UPDATE

Ilyda is 6 months old and army crawling! It has been a busy couple months as things pick up on campus, and we have honestly been exhausted. But Atlas and Ilyda have been right there with us with lots of time with students and investing into people's lives! Pray for us as we seek to be faithful in both ministry and with family.

There are 10 of us staff in country. The semester is in full swing, and students are everywhere! We entered this semester in our first staff meeting saying the goal was to share the Gospel a lot and network through universities and athletic departments for regular access to campus as well as partnerships. God has more than answered this prayer! Some staff have started what we call faith discussion groups (intro bible studies) as well as getting to lead leadership development seminars on campus that include fitness with faith. Praise God for these opportunities and the Gospel going out.

STUDENTS

This is the Discipleship Group Adam is getting to facilitate this semester - Lester, Irvin, Francis, Jel, Regie. They are in their final year of college. They are eager to study the Bible together, memorize scripture and to share Christ with others. Pray for God's Word to be at the center of this group.

AMBASSADOR TEAM

We have invited 10 students to be a part of our student leadership team we are calling the ambassador team. There are monthly trainings we provide for them where we focus on deep walks with the Lord and sharing their faith, as well as specific content for seniors to prepare for life after college as a Christian. Pray for their encouragement and ability to attend all these trainings. Below is a picture of some of the seniors with guest speakers we invited to speak on being a christian in the workforce.

Misha's bible study came to an end this last month as we said goodbye to 3 of the girls who graduated (Angela, Lovely and Paula). The 3 of them are doing so well out in the adult world as they follow christ and actively share their faith with new co-workers and friends. The new Bible study will consist of 3 senior girls this year! (Dayne, Eli & Rechen)

RECHEN

Misha's friend Rechen started following Christ in 2020 during their virtual bible study. She has grown so much since then, and Misha has the continued privilege to meet with her often - teaching and training her in character and how to share with others. She is a social work major and has a huge heart to help the underprivileged and share her faith with them.

PRAYER

- meeting new students that would have softened hearts to the Gospel
- healthy marriage and family life amidst a busy ministry season and learning how to balance with 2 children
- our team to have continued deep walks with God and ministry success

KURT

Kurt is a first year that Adam shared the Gospel with this semester. He is currently a world arnis champion (their national sport)! He responded positively to the Gospel and is excited to investigate his faith! Pray for his heart to be softened to understand the Gospel.

And I will give you a new heart, and a new spirit I will put within you. And I will remove the heart of stone from your flesh and give you a heart of flesh. 27 And I will put my Spirit within you, and cause you to walk in my statutes and be careful to obey my rules. - Ezekiel 36:26-27
